TEAM INFORMATION

HOW DO YOU PLACE TEAMS?

We try to match up the athletes by level as best as we can, but please remember that stunting, tumbling, jumps, dance, motions, attitude, attention span, & history in the program are a factor as well. Some athletes will be stronger tumblers than others, while some will contribute to stunting more than others. Creating a team is like a giant puzzle and we need to make sure we all fit together perfectly. Every athlete is placed on the team we think they will be the most successful & thrive on, and every team is made to be the most successful at competitions. Please remember to trust the decisions made by Xtreme staff regarding team placements. We are experienced in competitions, scoring, and what is needed to be successful. It is your job as a parent to support the coaches, athletes, and staff.
